I am currently taking Bachelor of Science in Information Technology (BSIT) an enthusiastic and driven student eager to join the AWS Skill-Builder Team, with a particular focus on cybersecurity and cloud computing. My education in Information Technology field, along with basic knowledge in cloud technologies and security measures, has provided me with the technical skills and analytical abilities essential for this role. My goal is to leverage my knowledge and passion to enhance the security and efficiency of cybersecurity and cloud environments, while actively participating in innovative projects that drive technological advancement.
